STATE OF THE NBT RECREATION PARK AND POOL

Dear Northbridge Terrace Recreation Park and Pool Members,

Wow, day-light savings time is here and that means the NBT Pool will soon be opening.

The NBT Board would like to take this opportunity to inform you of the 'State of the NBT Recreation Park and Pool' (aka NBT Park). All of our board members, with the exception of one, are returning for another year: John Onufer, President, Michael Pate and David McLaurin, Vice Presidents, James Dille, Treasurer, Nancy Ezell Suggs, Secretary, and Susan McGuckin, Fund Raiser. They are to be thanked for volunteering to serve and are committed to providing excellent service to the NBT Park's membership. Once again, under the leadership of our Pool Manager and Swim Team Coach, Mike Walsh, the pool is in great shape and is anxiously awaiting the Killer Whales to cut through the water for what is to be another successful and fun swim team season.

A special "thank you" goes to Alicia Crosby for her time and energy extended during her board term for fund-raising endeavors! From "chuck-a-ducks" to selling banners for advertisement around the pool, she has provided many creative ideas along with tasty chili!

Secondly, the swim team had many accomplishments last year. We came in fifth place in the city meet. The NBT Park's finances are holding their own in this time of economic uncertainty, thanks to the membership for their continued support at fund raising functions – please continue to support those efforts, and the Board is looking at a couple of different physical improvements to the park this coming year.

Thirdly, the Board has a 2009 membership goal of 150 families. Last year we had a lot of new families/members join the NBT Park. Please spread the word about the NBT Park to new neighbors, friends and families. We would love to have them join in the summer time fun.

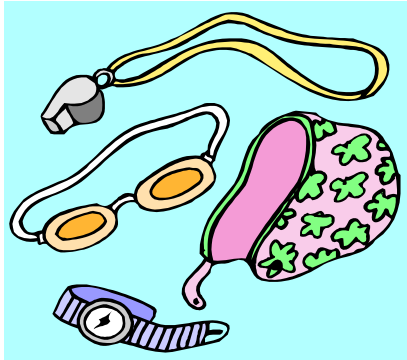

Finally, mark your calendars for Saturday, April 18th for a Spring Clean-up at the Park and Saturday, May 2nd for the POOL OPENING. Hope to see you there.
